SUPREME

With three heights from which to choose – dining, balcony and pub heights – you can design a set to fit your space and needs. Grandma might want a higher balcony seat so she can see over the deck, while the kids find the dining height just perfect to sit at the big table.

CHAIRS & BENCHES

Sturdy yet stylish, Comfort Craft chairs and benches come in a variety of styles, colors and combinations. Park them on your porch or pick the height that gives you a clear view from the deck. Add an ottoman for kick-back comfort. Sit back and relax on Adirondack chairs or loungers around the pool or fire pit. Comfort Craft benches are a stylish addition when configuring patio seating or dining sets.

Comfort Craft Care & Maintenance Warranty

Care and Maintenance of Comfort Craft Outdoor Furniture

Comfort Craft Outdoor Furniture is made from recycled high-density polyethylene (HDPE) plastic lumber, a durable, environmentally friendly alternative to traditional lumber. This high-performance material will not rot or splinter. It requires no sealing, painting or staining, and the material resists fading. It contains no fillers, such as wood fiber, which can absorb moisture and promote bacterial growth. The recycled material is a combination of consumer waste and industrial by-products normally disposed of in landfills.

To care for Comfort Craft Outdoor Furniture, clean it regularly with soap and water. Avoid pressure washing and harsh chemicals. The stainless steel fasteners are practically maintenance-free under normal conditions. (In coastal areas, wash and rinse fasteners with fresh water to avoid corrosion, which can be caused by the saline environment.)

20-Year Residential and 5-Year Commercial Warranties

Comfort Craft Outdoor Furniture comes with a limited warranty to the original purchaser against the structural failure of our recycled plastic lumber for up to 20 years for residential use and up to 5 years for commercial use (warranty is from the date of purchase). We further warrant our furniture to be free from manufacturer defects in material and workmanship for up to 1 year from the date of purchase. We will, at our discretion, repair or replace defective furniture with the same or similar product (if discontinued) at no charge. No cash refunds will be made. Shipping and handling are not covered by this warranty. Although extremely durable to the elements, Comfort Craft Outdoor Furniture may fade when exposed to direct sunlight and some elements may cause staining of the furniture surface. Fading and staining are excluded from this warranty.

The structural integrity of the stainless-steel fasteners used to assemble our furniture is covered under the normal terms of our warranty. However, stainless steel may rust under certain extreme conditions if not maintained as outlined under the care and maintenance section above. Rusting hardware or structural failure due to rusting is not covered by this warranty.

This warranty does not cover the failure of furniture which in our opinion was caused by acts of God, accident, neglect, abuse or improper shipping or handling, and is void if our care and maintenance instructions were not properly followed.

This warranty does not cover normal wear and tear, including but not limited to surface scratching, scuffing, discoloration, or other cosmetic changes that occur through regular use and exposure. These conditions are considered a result of ordinary use and/or negligence of care and are not classified as manufacturer defects.

This warranty does not cover damage caused by animals, including chewing, scratching, or other activity. Such damage is outside of our control and is not considered a manufacturer defect.

ACCENT PIECES

Complete your outdoor setup with the right finishing pieces. From the Noble and rectangular end tables to a versatile ottoman and the King Flame fire table, these accents bring function, flexibility, and a polished look to any space—whether you're building out a full patio or adding the final touch.
